

Scavenger Hunt

Sunday's News Break challenges you to hunt through the **Sunday, June 5, 2016 e-Edition** of The Seattle Times to find answers to the following questions.

1. For the first time during the economic recovery, the majority of homes are selling for what? (Main)
2. Seattle is debuting PulsePoint. What is it? (Main)
3. It's not a surprise that the region's home prices are zooming up, but did you know they're rising at the second-fastest rate in the nation, behind only which nearby city? (Main)
4. Hawaii has the highest per-capita _____ in the nation. (Main)
5. Kamala Harris made history when she became the first black woman to be elected what? (Main)
6. PARIS — The Seine River peaked early Saturday around Paris, hitting its highest level in nearly _____ years — almost 15 feet above average — and began a slow descent. Authorities cautioned it could take up to 10 days for the river to return to normal. (Main)
7. At least _____ grizzly bears have died in the past six years at a Washington State University research facility, according to recently released public records. (NW Sunday)
8. At a sold-out show at Marymoor Park Friday, the _____ kicked off the first of a three-night stand with a joyous set of its infectious, if somewhat slick brand of folk rock. (NW Sunday)
9. More than 8 million people live in the area that is vulnerable to what zone? It contains the most heavily populated parts of the Pacific Northwest, including Seattle and Portland, as well as Interstate 5, one of the nation's busiest roads. (NW Sunday)
10. What percentage of Seattle homes were involved in a bidding war in April 2016? (Main)

Break program with other teachers. To sign-up for the electronic edition of the newspaper please call 206/652-6290 or toll-free 1-888/775-2655.
